

I  
Will be  
By your side  
Even though I  
Am miles away, your  
Feelings are my feelings  
Your pain is my pain, and i  
Will help you carry your burden  
For as long as it takes, I am there

---

We marry in faith  
But it doesn't always last  
No need to seek blame  
Life will carry on although  
It may not feel that way now

---

Love  
Brutal, warm  
Laughing, crying, holding  
Not like a fairy tale  
Life

---

It is your birthday, a day to rejoice  
Another year of wisdom as a gift  
Another year of challenges you met  
Another year you gave to those you love  
Another year we all must thank you for  
It is your birthday, a day to rejoice

---

Like mother like daughter so it is said  
But you are unique  
Although I see me when I look at you  
It's a better me

---

I know it's not been easy  
But you are the one i love  
I'd rather struggle with you  
Than be by myself, or worse  
Be with someone, who's not you
